Privacy Notice:

Your exact date of birth, email address, and any ID number you give (Minnesota driver's license, state ID or last four digits of social security number) are private. Only election officials may access it.

Election officials ask for your exact date of birth so they can match your application to your voter record. If you refuse to give your date of birth, you won't get an absentee ballot.

Election officials ask for your email so they can contact you about your application. Also, the Office of the Secretary of State may email you (or contact you another way) about voting and elections, or ask for public input. If you refuse to give an email address, you cannot apply for an absentee ballot online and you will need to apply with a paper application.

Election officials ask for an ID number to check that the person who is casting the ballot is the same person who applied for it. If you have an ID number but refuse to give it, your absentee ballot might get rejected, and you won't be able to check your absentee ballot status online.

The rest of the data on your application is public when used for elections, political or law enforcement purposes. If you need to keep your contact data private because of personal safety concerns, call 1-877-600-8683 to learn what you can do.

Information for active-duty military and overseas voters:

If you are applying for an absentee ballot because you or your family are active-duty military or because you will be overseas and/or outside of the territorial limits of the United States, do not use this application. You are entitled to special protections if you apply using the Federal Postcard Application. For more information and to apply online, go to <https://www.mnvotes.org>

Options available to you if you have a disability

You may:

- sign the application yourself,
- make your mark, or
- ask another person to sign for you in your presence (have the person sign their own name as well.)
- If you have adopted the use of a signature stamp for all purposes of signature, you may use your signature stamp or ask another person to use your signature stamp in your presence. (See *Minnesota Statutes*, section 645.44, subdivision 14.)

Information regarding Power of Attorney

Voting is not covered by power of attorney. A power of attorney pertains only to affairs affecting property. A person with power of attorney may only sign for you in your presence, as outlined above. (See *Minnesota Statutes*, section 523.24, subdivision 14.)
